

FISCAL NOTE

SB 2712 - HB 2674

February 3, 2000

SUMMARY OF BILL: Amends T.C.A. 54-5-1101. Defines breakfast as it relates to service signs located on I-840 that advise the traveling public of specific business establishments located at an exit. *Breakfast* means the first meal of the day commonly taken in the ante meridian, an establishment deemed to serve breakfast shall offer a menu including coffee, juice and items from at least 2 of the following 3 groups: eggs, breakfast meat including but not limited to bacon, sausage, ham or steak, breakfast bread, including but not limited to toast, bagels, pastries or cereal. Eggs and breakfast meat shall be prepared on the premises of the establishment. Pre-packaged items shall not meet the requirements of this subsection. Menu items that are not customarily served as breakfast foods, including, but not limited to, sandwiches not containing eggs, hot dogs or hamburgers, shall not be considered as satisfying the requirements of this subsection. Under existing law, if space is available, a specific business establishment shall not be excluded from participating in the specific service sign program because such establishment does not serve breakfast. Such establishment may occupy any available space on a specific service sign if doing so would not exclude a business establishment that does serve breakfast.
